

March 31, 1976

SENATOR F. LEWIS: Yes sir, Mr. Chairman. I have a motion on the desk. It would meet with the Speaker's approval if we'd take it up.

PRESIDENT: Well we've suspended the rules. Senator Burbach.

SENATOR BURBACH: We have suspended the rules for the bills that were set for April 7th for today. But Senator Lewis asked me and rather than interfere in the middle of Final Reading, he does want to have a motion accepted here on our action on Final Reading yesterday. It's agreeable with me if it's agreeable with the body to take it up at this time.

SENATOR F. LEWIS: Mr. Chairman, I'm not going to take long at all.

PRESIDENT: Read it now, Mr. Clerk.

SENATOR F. LEWIS: I'll let him read the motion and then we can vote on it.

CLERK: I move to reconsider our action on LB 1011. Signed, Senator Frank Lewis.

SENATOR F. LEWIS: Mr. Chairman, we were one or two votes short yesterday. There are some additional people here today. We'd ask that you vote on it. I'd ask you to reconsider.

PRESIDENT: The question is shall this body reconsider the action it took yesterday with regard to LB 1011. Record your vote. The motions to reconsider carry the same weight as the original requirement. The original consideration was with the emergency clause which is 33 votes. So this motion to reconsider may be put to you twice. Have you all voted? Please vote on this matter. This is to reconsider the first action you took yesterday which had the emergency clause attached. Record.

SENATOR F. LEWIS: Mr. Chairman, I would like a roll call vote please.

PRESIDENT: Call the roll.

CLERK: Senator Anderson--excused.
